Uniform Guidelines

Drummond CHS promotes and encourages the wearing of school uniform by all students, whilst respecting cultural and religious differences. This leaflet will explain what is and what is **NOT** acceptable as part of our uniform policy and includes a definitive checklist for parents/carers.

Drummond's Uniform Policy

Overleaf is a definitive list of the uniform items acceptable for Drummond's Uniform Policy. We have teamed up with a local supplier to bring a sense of identity to some of the items, such as the sweatshirts and jumpers which will bear the school crest, on the left hand sleeve, and we have detailed the suppliers contact details and price list for information.

Whilst we would prefer it if parents purchased items that advertised the school crest we understand that parents may have preferred retailers of their own, but would stress that all clothing bought for their child must adhere to Drummond's Uniform Policy.
