

Due to COVID-19 (Coronavirus) and the closure of the school, your Skills Development Scotland Careers Adviser cannot deliver career services face to face, but they are still there to help on email and phone. Your child can contact their school Careers Adviser, (Joyce McAree) for career information, advice and guidance at (joyce.mcaree@sds.co.uk), visit the school email Careers Advise web page (<https://drummondhigh.org/careers-advice/>) or visit www.myworldofwork.co.uk .

Call our local centre to speak to one of our qualified advisers on 0131 7182040. You can also find their services for parents/carers online at www.myworldofwork.co.uk and www.mykidscareer.com.

Unfortunately Joyce cannot answer questions at this time on SQA results, Exams or Edinburgh College/University places, we empathise with you and your child but are getting the same updates as you as they are available, use the links above to keep up to date and contact the correct organisation directly with queries..
